No. : RWD/PMGSY/19/2003-04(Pt)

Dated 18.07.2011

Two separate lists of contracting agencies have been circulated vide this office letter of even no. dtd. 20.07.2011 debarring to participate in PH-IX bid of PMGSY road works considering the incomplete road works till May'2011. Now, it has been decided that the road works those completed after 31<sup>st</sup> May '2011 and till last date of downloading of bid document may also be allowed to participate in the tender, provided even after completing the road work/works, the firm should not left with two or more PMGSY contracts balance in hands. In this context to qualify for submission of bid, the bidder must furnish completion certificate in the prescribed format duly issued by the PIU's and upload the certificate along with other document while submitting the bids online.

Therefore, by virtue of this amendment, any bidder who satisfy above criteria and submit bid furnishing completion report may also be accepted.
